Re: MUR 4434 (Outback Steakhouse of Florida, Inc.,  
Joseph Kadow, Robert Basham, and Chris Sullivan)

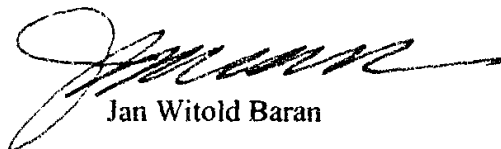

Dear Mr. Buckley:

In response to your letter dated January 7, 1998, we are enclosing copies free from obstruction of the first pages of Exhibits G and H of Joseph Kadow's response. Your letter also noted that "information appears to be missing" from Exhibit O, the document entitled "Sharpe for Congress Campaign Plan 1994" of Mr. Kadow's response.

In responding to your subpoena, Mr. Kadow was not in possession of the entire "Sharpe for Congress Campaign Plan," but rather only of two pages of it. Those two pages were submitted as Exhibit B with Mr. Kadow's response to the complaint in this matter. Nevertheless, Mr. Kadow searched for and ultimately obtained the document submitted as Exhibit O by contacting John Coley, a principal advisor to Mr. Sharpe during the 1994 Campaign. Since receiving your letter, Mr. Coley has assured Mr. Kadow that the document provided to you as Exhibit O is a complete document. When he was asked by Mr. Kadow to provide the document he simply copied the only hard copy in his possession without any alterations or redactions. We did the same. Accordingly, any inconsistencies are apparently inherent to the original.

If you have any further questions, please do not hesitate to call me at the above number.

Sincerely yours,

Jan Witold Baran

Encls.

Re: Mark Sharpe, Republican Candidate for Congress - Florida, 11th District

Dear FIELD(6):

I am writing to enlist the support of you and your company's Political Action Committee for the candidacy of Mark Sharpe. Mr. Sharpe is a young, conservative Republican who believes in less government, less spending and less taxes. He is a former Naval Intelligence Officer and is currently a school teacher. Mr. Sharpe has been recommended by Berman & Company.

Mr. Sharpe is running against incumbent Sam Gibbons, acting chairman of the House Ways and Means Committee. Mr. Gibbons has been in Congress over 30 years. He is a tax and spend liberal of the first degree. In May of this year, Mr. Gibbons agreed to meet with representatives of the restaurant industry in Tampa. Approximately 60 people attended and explained to Mr. Gibbons in detail how devastating an employer mandated health care requirement would be to the restaurant industry. We followed up with a second meeting with a smaller group of four including myself, a representative of Brinker International and a representative of Steak & Ale.

As you now know, despite hearing our opposition Mr. Gibbons has been the leading proponent in Congress of a Clinton-style health care reform plan which includes an employer mandate requiring employers to pay 80% of the health insurance cost of their employees. Indeed, Mr. Gibbons is quite proud of having pushed this bill through the Ways and Means Committee.

In Tampa, we believe that Mr. Sharpe has an excellent chance of beating Gibbons. In 1992, Mr. Sharpe ran against him and held him to 52% of the vote. Mr. Sharpe did this with no name recognition and almost no money.
